

Florence & The Machine, You've Got The Love

Sometimes I feel like throwing my hands up in the air
I know I can count on you
Sometimes I feel like saying "Lord I just don't care"
But you've got the love I need To see me through
Sometimes it seems that the going is just too rough
And things go wrong no matter what I do
Now and then it seems that life is just too much
But you've got the love I need to see me through

When food is gone you are my daily meal
When friends are gone I know my savior's love is real
Your love is real

You got the love

Time after time I think "Oh Lord what's the use?"
Time after time I think it's just no good
Sooner or later in life, the things you love you loose
But you got the love I need to see me through

You got the love

Sometimes I feel like throwing my hands up in the air
I know I can count on you
Sometimes I feel like saying "Lord I just don't care"
But you've got the love I need to see me through

You got the love
