

Fluke, Atom Bomb

Baby got an atom bomb,
A mother fucking atom bomb,
Twenty two megatons,
You've never seen so much fun.

Baby got a poison gas,
Baby got a heart attacks,
Baby got a pain on tap,
Baby gimme some of that.

Baby got a nobel prize,
Given for the perfect crime,
Baby got an alibi,
Baby got eight more lives.

Baby got purple hair,
Baby got a secret lair,
Baby got an army there,
I ain't ever seen baby scared.

Baby got a satellite,
Baby got second sight,
Baby got a masterplan,
A foolproof master plan.

Baby got a crystal ball,
Baby doesn't care at all,
Baby's having too much fun,
Baby got an atom bomb.

Baby got an atom bomb,
Baby got an atom bomb,
Baby got an atom bomb,
A mother fucking atom bomb.

Baby got an atom bomb,
Baby got an atom bomb,
Baby got an atom bomb,
A mother fucking atom bomb.

Baby got a fleet at sea,
She's got a submarine called Emergency,
She got a motorcade,
She got a monorail,
Going coast to coast on a campaign trail,
Playing deck of cards in an armoured car,
She got a kung fu star as a bodyguard,
She got a juju charm,
She got a magic spell,
She got a genie, all three is working well,
She got a tv show,
She got a shopping mall,
She got a miracle, she doesn't want at all,
She got a monument, at a great expense,
She got a head of state, and a president,
She got destiny, she got supremecy,
She got everything from A - Z,
She got it all down tight, she got nothing wrong,
She got the whole wide world singing baby's song.
