You're thinkin' I'm stressin', but baby I'm all right  
You're like an angel watchin' over me, I once was blind but now I see  
Your lovin' brings me ecstasy, can't you see, you're my girl, foreva my lady

I'm a lyrical lyricist on the mic I get contagious  
I be tighter than the tightest, you know I'm the baddest  
Fly high way up to the sky  
Let me see yo hands, you know how we ride...
