

Flying Postmen, Famous Band

(A. Nicula/E. Bojescu)

Come on baby don't be late

We begin to play

Come on babe don't be afraid

And don't turn away

We're gonna sing for you all the night

And you will fall in love at first sight

Come on baby take your friends

We begin to fly

We can show you all the lands

And the sunny skies

When you are back to ev'ryone

You'll say as loud as you can

"I, I, I have gone

and spent my time with a famous band"

Come on baby cheer up

Don't escape from it

Our show will never stop

Will you take a seat ?

CHORUS REPEAT

Famous band, famous band

Famous band, famous band...
