

# Flying Postmen, Nothing Shakin'

(Fontaine/Calacrai/Lampert/Gluck)

I tried to find out what love is all about  
And every day it sure lets out  
I see my baby I get weak in my knees  
There's nothing shaking but the leaves on the trees  
My pappie told me there'd be times like these  
There's nothing shaking but the leaves on the trees

We meet the gang and go to rocking Joes  
The cats are something on their heels and toes  
I grab my baby tried to give her a squeeze  
There's nothing shaking but the leaves on the trees  
Well why must she be such a dog-gone tease?  
There's nothing shaking but the leaves on the trees

She's got a way that makes me act like a fool  
Spend my money then she plays me cool  
I'm beggin' her for kisses on my bended knees  
Oh won't you give me some loving, baby  
Please, please, please

Though I keep trying hard to make her mine  
One day the wind will blow the sun will shine  
Till that time she puts my heart at ease  
There's nothing shaking but the leaves on the trees  
She locked my heart and threw away the keys  
There's nothing shaking but the leaves on the trees, yeah

She's got a way that makes me act like a fool  
Spend my money then she plays me cool  
I'm beggin' her for kisses on my bended knees  
Oh won't you give me some loving, baby  
Please, please, please

Though I keep trying hard to make her mine  
One day the wind will blow the sun will shine  
Till that time she puts my heart at ease  
There's nothing shaking but the leaves on the trees  
She locked my heart and threw away the keys  
There's nothing shaking but the leaves on the trees,

There's nothing shaking but the leaves on the trees,  
There's nothing shaking but the leaves on the trees,  
There's nothing shaking but the leaves on the trees.
