

# FM Static, The Unavoidable Battle Of Feeling On

It's hard to fit in, when you're on the outside  
Feels like someone's getting to my head  
With something I did and something I said  
I'm not an idiot, but i feel like one a lot  
Cause every time I try I end up here  
Right where I started feeling unguarded  
I don't care if it comes out perfect  
As long as I can stand it out

[chorus]

Then he said, "Take your time, take what you  
need to. Peace of mind, should never leave you.  
You'll be fine, Just let them see you on the inside."  
Hurt takes time don't be afraid of What you've got  
Show them what you're made of, You will find it's  
gonna be alright (so let's go!)

It's hard to get up when you don't feel like moving  
It's hard to lift your head up- sometimes  
Cause it feels like it's lasting, but it's gonna pass  
I'm not an idiot, but i feel like one a lot  
Cause every time I try I end up here  
Just floating in space with a look on my face  
I don' t care if it comes out perfect  
As long as I can stand it out

[chorus]

(so let's go!)

I don' t care if it comes out perfect  
As long as I can stand it out

[chorus]

(so let's go!)
