Foals, Inhaler

Sticks and stones don?t break my bones, you make believe It?s lock and load, it?s a dead end road to you and me You know what?s to go, I?m strict for soul I make believe And I?m off the rent, I haven?t spent, I guarantee

So can you not go away
If just for one day
Uh-uh-uh
Impossible, possible way
How would you do know
How?d you do now?
Run away
War sounds in you
Don?t throw your fortune away
And I can?t get enough
Space, space
Get enough space

I?m pale and coy I?m almost born, I make believe I shimmy-shake, I wake the bed, I?m over me I lost the beat, I can not breathe Don?t follow me You ush and shove, I?ve had enough, Don?t mess with me

So can you not go away
If just for one day
Uh-uh-uh
Impossible, ?ossible way
How would you do know
How?d you do now?
Run away
War sounds in you
Don?t throw your fortune away
And I can?t get enough
Space,
I can?t Get enough space
Space
