

# Foals, Late Night

Oh, I hope that you somebody,  
someone I could count  
To pull me to my feet again  
when I was in doubt  
Oh, now Mama, do you hear me?  
I'm calling out your name  
Oh, now Mama, do you hear me?  
I'm calling out your name,  
I'm calling out your name

I'm the last cowboy in this town  
Empty veins and my plastic broken crown  
They said I swam the sea that ran around  
They said I once was lost but now I'm truly found  
And I know the place another way,  
I feel, I feel no shame  
Oh, now Mama, do you hear my fear?  
It's coming after me  
I'm calling out your name,  
I'm calling out your name

Stay with me, stay with me

Did you throw your heart away?  
Oh I know just what I say  
Did your phone cut in the way?  
Being still downtown I say  
And I know you ran away,  
Oh, I know but I'm feeling okay  
And I found love and fear won't go,  
And I found love and feeling won't go  
See you walk away, feeling okay now,  
happy now, happy now?

Stay with me, stay with me, stay with me, stay with me
