

FONOVEL, Passion

Given your face to me
I make you the scar as it's you

For all I know for all I can
For all I want for all I dent

You're so special
You're my passion

Given your soul to me
I'll make you this good as a Bible
You want regret the single thin
I'll make you see the [?]

For all I know for all I can
For all I want for all I dent

You're so special
You're my passion

You're so special
You're my passion

You're my passion
