

# Foo Fighters, Have It All

You're my size I need to try you on  
Someone in between the right and wrong  
Through everything you kept your wings apart  
Through everything you stayed the same, hold on

And when I've had enough  
She drains me  
When I'm empty  
She helps herself  
She takes it all  
In too deep  
She's spilling over me  
In too deep  
She's spilling over me  
Don't wanna have it all

Running through this maze you hold me in  
Searching all these days to find me in  
You're everything, you're everything I'm not  
I'm anything I'm anyone you want  
And when I've had enough

She drains me  
When I'm empty  
She helps herself  
She takes it all  
In too deep  
She's spilling over me  
In too deep  
She's spilling over me  
Don't wanna have it all  
Have it all  
Have it all

You're everything you're everything I'm not  
I'm anything I'm anyone you want

She drains me  
When I'm empty  
She helps herself  
She takes it all  
In too deep  
She's spilling over me  
In too deep  
She's spilling over me  
In too deep  
She's spilling over me  
In too deep  
She's spilling over me
