Foo Fighters, Ozone

I'm the kind of guy who likes feelin' high Feelin' high and dry, and I really like to fly I'm your kinda guy, girl I'm not too shy And I want you to fly, so I think you oughta try

Ozone, ozone, ozone, ozone

I'm your kinda guy and I'm not too shy Feelin' high and dry, and I want you to be mine So I think it's time, girl, to start feeling fine Feeling good all the time, so I think you oughta try

Ozone, ozone, ozone, ozone

Now I'm the kinda guy who likes getting high Getting high and dry, and I do it all the time If you think it's a crime and you don't wanna try Something that'll make you high, then I think I'll say goodbye

'Cos I'm the kind of guy who likes getting high
Getting high and dry, and
I do it all the time
Now I'm much too high, I am
high and dry
And I'm feelin' fine, I'm feelin'
good all of the time... (to fade)
