Foo Fighters, These Days

One of these days the ground will drop out from beneath your feet One of these days your heart will stop and play its final beat One of these days the clocks will stop and time won't mean a thing One of these days their bombs will drop and silence everything

But it's alright Yeah it's alright I said it's alright

Easy for you to say Your heart has never been broken Your pride has never been stolen Not yet not yet

One of these days
I bet your heart'll be broken
I bet your pride'll be stolen
I bet I bet I bet
One of these days
One of these days

One of these days your eyes will close and pain will disappear One of these days you will forget to hope and learn to fear

But it's alright Yeah it's alright I said it's alright

Easy for you to say Your heart has never been broken Your pride has never been stolen Not yet not yet

One of these days

I bet your heart'll be broken I bet your pride'll be stolen I bet I bet I bet One of these days One of these days

But it's alright Yeah it's alright I said it's alright Yes it's alright

Don't say it's alright Don't say it's alright Don't say it's alright

One of these days your heart will stop and play its final beat But it's alright

Easy for you to say Your heart has never been broken Your pride has never been stolen Not yet not yet

One of these days
I bet your heart will be broken
I bet your pride will be stolen
I bet I bet I bet I bet

One of these days
