Fool's Garden, And You Say

(Hinkel / Freudenthaler)

Whenever I buy a lighter in the store You take it away I cannot find the ashtray anymore Did you take it away? Smoking is not good for me It damages my health If you don't give me nicotine Well, then I ask somebody else

And you say
What you do
Is just the way that I wanted you to
And you say
What you see
Is not the way that you want me to be

Whenever I pour myself a glass of wine You take it away
The bottle I bought today I cannot find Did you take it away?
Drinking is not good for me It damages my brain I haven't had a single drop And it's driving me insane

That you say
What you do
Is just the way that I wanted you to
And you say
What you see
Is not the way that you want me to be

Whenever I get some change from anywhere You take it away I'm loving my little bankbook, you don't care You take it away Money is not good for me It damages my soul You take away my piggy bank And dig it in a hole

And you say...
