Fool's Garden, Does Anybody Know

Today my baby left me with a smile upon her face she was talking japanese about some individual space and now I find myself inside this jumbo bed I cannot eat not sleep nor move Oh god I feel so sad

Why did you do it?
She said: lift up your head my boy
Why did you do it?
You know there aint no need to cry
Why did you do it?
It will be funny when I die

Does anybody know?
Can anybody say?
Will she ever come
Back in anyway?
Does anybody know?
Can anybody say?
Will she ever come
Back in anyway?
Yeah, yeah, yeah!

She didnt even realize that I changed my mind today Oh god she was as cold as ice and she didnt melt away When I told her shes the only one and I would always love her She said III always love you too my boy but more just like a brother

Why did you do it?
She said: lift up your head my boy
Why did you do it?
You know there aint no need to cry
Why did you do it?
It will be funny when I die

Does anybody know?
Can anybody say?
Will she ever come
Back in anyway?
Does anybody know?
Can anybody say?
Will she ever come
Back in anyway?
Yeah, yeah, yeah
