

# Fool's Garden, It Can't Happen

It can happen to you,  
it can happen to me,  
it can happen to all of us,  
I'm trying to see  
It's a little too late,  
I've made a little mistake,  
it can happen to anyone,  
so don't be afraid

I can't fix it,  
I can't choose,  
the situation is bad  
you win I loose  
I say: "Sorry",  
you say: "No!"  
So I will pack my things and go  
Maybe it's better when I'm going away,  
I think it's better when I'm trying to stay

I say: "Bottom",  
you say: "Top",  
I could explain  
but you say: "Stop",  
I can't undo this thing I've done,  
I've been an asshole,  
now you're gone  
Maybe it's better when you're goin' away,  
I think it's better when you're trying to stay

It can happen to you,  
it can happen to me,  
it can happen to all of us,  
I'm trying to see  
It's a little too late,  
I've made a little mistake,  
it can happen to anyone,  
so don't be afraid  
Don't be afraid

It's not easy  
It's not right  
that you say: "Black", when I say: "White",  
I feel sorry,  
please believe,  
your little fool has come to grief  
Maybe it's better when you're goin' away,  
I think it's better when you're trying to stay

It can happen to you,  
it can happen to me,  
it can happen to all of us,  
I'm trying to see  
It's a little too late,  
I've made a little mistake,  
it can happen to anyone,  
so don't be afraid  
Don't be afraid

Pretend - release,  
The End - I say "Cheese",  
I can't - stand no more

It can happen to you,  
it can happen to me,

it can happen to all of us,  
I'm trying to see  
It's a little too late,  
I've made a little mistake,  
it can happen to anyone,  
so don't be afraid

It can happen to you,  
it can happen to me,  
it can happen to all of us,  
I'm trying to see  
It's a little too late,  
I've made a little mistake,  
it can happen to anyone,  
so don't be afraid  
Don't be afraid.
