

# For Amusement Only, Believe

You make me question my life  
You make me wonder why  
You make me trust in something  
You make it

I can't see it  
Can I see it?  
Can I see it now?

Believe in love, Believe in trust  
Believe in dreams that turn to dust  
Believe in here, Believe in now  
Believe that someday I'll fuck up  
To simply believe in me

You ask for nothing from me  
You give me nothing less  
You find in me the reason  
You find the best I feel it  
Can I feel it  
I can't feel it now?

Believe in love, Believe in trust  
Believe in dreams that turn to dust  
Believe in here, Believe in now  
Believe that someday I'll fuck up  
To simply believe in me

And can't you see I'm falling down?  
And can't you see I'm calling out?

Believe in love, Believe in trust  
Believe in dreams that turn to dust  
Believe in here, Believe in now  
Believe that someday someday I know how

Believe in love, Believe in trust  
Believe in dreams that turn to dust  
Believe in here, Believe in now  
Believe that someday I'll find how  
To simply believe in me

Believe in me

Believe that someday  
Someday I'll find how
