

Foreigner, I'll Fight For You

I'm turning to you
When love is on my mind
You're all I want, woman
And love's so hard to find.

I know that I hurt you
And I know that I was wrong
But I want you back
Back where you belong
Oh, yeah.

And I won't give you up
Oh, won't walk away
I hope and I pray
Oh, I hope and I pray
You'll forgive me some day.

I'll fight for you
I'll give you all I got to give
I'll fight for you
Well, babe, as long as we should live
Oh oh.

I'll search for heaven each day
And together, we'll find a way
And I'll fight for you, darlin', oh oh
I'll fight for you baby, yeah
'Cause I've waited too long
For love.

You're all of my life
And every time I look at you
I keep tellin' myself
You're the one thing I just can't lose.

Our love runs so deeply
Can't you feel it in your heart
'Cause girl we've got something
That no one can tear apart
Oh, Lord.

I'm tellin' you now
This love it just can't be wrong
Oh, it can't be wrong.

And I won't give you up
'Cause I've waited too long
Oh, I've waited too long
For love.

I'll fight for you
I'll give you all I got to give
I'll fight for you
Well, babe, as long as we should live
Oh oh.

I'll search for heaven each day
And together, we'll find a way
And I'll fight for you, darlin'
Oh...

I'll fight for you, babe, oh yeah
I'll give you all I got to give
All this might to give.

I'll search for heaven each day
And together, we'll find a way
And I'll fight for you, darlin'
I'll fight for you, babe
No I want turn my back on you now.

I'll fight for you, babe, oh yeah
I'll give you all I got to give
No, I wan't go away
I'll fight for you, babe, fight for your mama.

I'll fight for you...
