

Foreigner, Reaction To Action

(spoken: Check 1, 1, 1)

Alright

It's hard getting through to me

I'm truly elusive

I got my own point of view

I am the one of a kind

And I tell you I'll girl

I'm fascinated by you

There's something about you

That makes all the difference

Like the night is to day

Well I can get along without you

But I know that within you

You've got what I'm missing

And I'll find a way

To get reaction to action

Hey, say the word that would thrill me

Yeah, I need reaction to action

Just one look that would kill me

You got a way of drawing attention to you

You know you stand out in a crowd

But the way that you play

With any man's affections

Should never be allowed

See I consider myself

The one who will show you

I'd go as far as to say

Girl, I ain't leaving here without you

But you better understand

There's only one rule in this game we're gonna play

And that's reaction to action

Maybe like a word that would thrill me

I need reaction to action

One look that would kill me

Give me reaction to action

It's getting late I'd better make a definite move

Reaction to action

And after that baby, it's up to you

I need reaction to action

Just a word that would thrill me

I need reaction to action

You know what I'm talking about

Give me some reaction to action

You got a look, you got a way that'll kill me

Reaction to action, reaction to action, action

Baby, don't think about it, just react

Reaction to action

Reaction to action

Reaction to action

Reaction to action

Reaction to action

Reaction to action
