Foreigner, Reaction To Action

(spoken: Check 1, 1, 1)

Àlright

It's hard getting through to me

I'm truly elusive

I got my own point of view
I am the one of a kind
And I tell you l'il girl
I'm fascinated by you
There's something about you

That makes all the difference

Like the night is to day

Well I can get along without you

But I know that within you

You've got what I'm missing

And I'll find a way

To get reaction to action Hey, say the word that would thrill me Yeah, I need reaction to action Just one look that would kill me

You got a way of drawing attention to you
You know you stand out in a crowd
But the way that you play
With any man's affections
Should never be allowed
See I consider myself
The one who will show you
I'd go as far as to say
Girl, I ain't leaving here without you
But you better understand
There's only one rule in this game we're gonna play

And that's reaction to action
Maybe like a word that would thrill me
I need reaction to action
One look that would kill me
Give me reaction to action
It's getting late I'd better make a definite move
Reaction to action
And after that baby, it's up to you

I need reaction to action
Just a word that would thrill me
I need reaction to action
You know what I'm talking about
Give me some reaction to action
You got a look, you got a way that'll kill me
Reaction to action, reaction to action, action
Baby, don't think about it, just react
Reaction to action
