

# Forgotten Rebels, It Won't Be Long

It won't be long until you see me again  
It won't be long until your rockin' again  
It won't be long until you're dancin' again  
Just think about me when you f - - k other

it won't be long until a while from now  
I know you'll last but I don't know how  
When you're in love with such a glamorous star  
I even gave you a ride in my car

[Chorus:]

No no no no no no no no no  
It won't be long until you see me again!

Kiss my picture and I'll love you again  
Do you think about me when you're alone?  
Do you think about me when you're at home?  
Do you think about me when you're with friends?  
Am I a doll? Am I the living end?

Blow me a kiss and send it in the mail  
I'll send one back honey I won't fall  
Make it good cos' I'm goin' away  
If you get lucky I'll be back in a day

No no no no no no no no no  
It won't be long until you see me again!
