

# Foster The People, Coming of Age (Mural Time-L

Girl I see you standing there like a ragged dog  
And you got those crying eyes  
Makes me wanna surrender and wrap you in my arms

You know I try to live without regrets  
I'm always moving forward and not looking back  
But I tend to live a trail of death around you when I'm here.  
So I'm steppin' away  
Cause I got nothin' to say

Feels like feels like it's comin'  
Feels like feels like a coming of age  
Feels like feels like its comin'  
Feels like feels like a coming of age

When my fear pulls me out to see  
And the stars are hittin' on my pride and my enemies  
I seem to hurt the people that care the most  
Just like you never know I protect my pride  
And I'm too bruised to fight  
And even when I'm wrong I tend to think I'm right

Well I'm bored of the game  
And too tired to rage

Feels like feels like it's comin'  
It feels like feels like it's like a coming of age  
It feels like feels like it's comin'  
Feels like feels like a coming of age  
It's like a coming age
