

Four Of Diamonds, Long Way to Go

[Intro: Yasmin]

You and I

Yeah, you and I still got a long way to go

A long way to go to make it right

Yeah, you and I still got a long way to go

A long way to go, yeah

[Verse 1: Caroline]

I bought it

Said you would be better

Said you would be better to me

But then you went and let me down

You always go and let me down

[Verse 2: Yasmin]

I promised

I wouldn't resent you

Or hold it against you and me

It probably should be over now

But say that you'll come over now

[Pre-Chorus: Lauren]

Oh, na na na

I want your body

Closer to me, ohhhh

Oh, na na na

With our history

It ain't that easy, yeah

[Chorus: Caroline with All & (Sophia)]

You and I

Yeah you and I still got a long way to go

A long way to go to make it right

Yeah, you and I still got a long way to go

A long way to go

To fix all the damage that we've done (We've done)

You know that you know that

It's all love, love, love

You and I

Yeah, you and I still got a long way to go

A long way to go, yeah

[Verse 3: Sophia]

I'm dying

Dying to trust you

You know that i want to but it seems

You're only gonna let me down, yeah

Too many times you let me down

[Pre-Chorus: Lauren]

Oh, na na na

I want your body

Closer to me, ohhhh

Oh, na na na

With our history

It ain't that easy, yeah

[Chorus: Caroline with All & (Sophia)]

You and I

Yeah you and I still got a long way to go

A long way to go to make it right

Yeah, you and I still got a long way to go

A long way to go

To fix all the damage that we've done (We've done)

You know that you know that
It's all love, love, love
You and I
Yeah, you and I still got a long way to go
A long way to go, yeah

[Bridge: Yasmin & Caroline]
Put in the work
Start being honest with me
Put in the work
Put in the work
Honour your word
You know that it's all that I need
Put in the work
Put in the work

[Chorus: Caroline with All & (Sophia)]
You and I
Yeah you and I still got a long way to go
A long way to go to make it right
Yeah, you and I still got a long way to go
A long way to go
To fix all the damage that we've done (We've done)
You know that you know that
It's all love, love, love
You and I
Yeah, you and I still got a long way to go
A long way to go, yeah

[Outro: All]
Long way to go
A long way to go
Long way to go
A long way to go
