

# Four Of Diamonds, Walk Away

[Verse 1]

You were closer than a friend  
Close like no one's ever been  
And to think right now, this is how you feel  
But as the drinks go in, the truth comes out

[Chorus]

You tell me I'm a slave to the money, but I'm not  
That everything I am can be everything I got  
Call me on my lies, say they're more than just a few  
Don't know what it is, say I don't know who is who  
Telling me if I don't wanna see no talk  
There's never gonna be no talk  
Say I gotta crawl before I learn to walk  
So I walk away, I walk away from you

[Verse 2]

Now you've ended up like most  
Like all the rest who came too close  
Don't want anyone-one to come  
Between me, myself, and my demons, oh

[Chorus]

You tell me I'm a slave to the money, but I'm not  
That everything I am can't be everything I got  
Call me on my line, say I'm more than just a few  
Call me on my lies, say they're more than just a few  
Telling me if I don't wanna see no talk  
There's never gonna be no talk  
Say I gotta crawl before I learned to walk  
So I walk away, I walk away from you

[Post-Chorus]

I love them, but I leave them  
I don't know how to keep them  
Walk away, I walk away, oh  
I follow with my demons  
I hate 'em, but I need them  
Walk away, I walk away  
I love them, but I leave them  
I don't know how to keep them  
Walk away, I walk away, oh  
I follow with my demons  
I hate 'em, but I need them  
Walk away, I walk away from you  
Walk away, I walk away

[Chorus]

You tell me I'm a slave to the money, but I'm not  
That everything I am can't be everything I got  
Call me on my lies, say they're more than just a few (Ooh, ooh, ooh)  
Don't know what it is, say I don't know who is who  
Telling me if I don't wanna see no talk (I don't wanna see no)  
There's never gonna be no talk  
Say I gotta crawl before I learned to walk (Yeah)  
So I walk away, I walk away from you

[Post-Chorus]

I love them, but I leave them  
I don't know how to keep them  
Walk away, I walk away, oh  
I follow with my demons  
I hate 'em, but I need them  
Walk away, I walk away

I love them, but I leave them  
I don't know how to keep them  
Walk away, I walk away, oh  
I follow with my demons  
I hate 'em, but I need them  
Walk away, I walk away from you, yeah
