

# Four Star Mary, Violent

the strangest things  
i've always known  
it slays me everytime  
darkened fields  
have overgrown

you want to lay me out?  
tie me down?  
tie me

our love  
covered in my blood  
is so violent

shake this scene  
another one  
it plays me everytime  
we're not that green  
we're overdone

you want to lay me out?  
tie me down?  
tie me

our love  
covered in my blood  
is so violent
