

Foxes, Glorious

Hollow ground and I keep on fallin
Breathing in but it's not enough
And when I drown my eyes in the river flowing
You said you'd stay just a little more

Because the faith isn't gone
I still hear it callin
But something is wrong
Teardrops are falling
Just before they hit the ground
Oh when I hear you say
Oh when I hear you say

Don't give it up, don't you give it up
It's glorious
Don't give it up, don't you give it up
It's glorious
But I can't help it, oh I can't help it
Don't wanna stay I'll run away
No I can't help it, oh I can't help it

I close my eyes and I feel your heartbeat
A deep blue sea rushes over me
And the thunder cries I feel warmth around me
Cause I found a place underneath your heart

Because the faith isn't gone
I still hear it callin
But something is wrong
Teardrops are falling
Just before they hit the ground
Oh when I hear you say
Oh when I hear you say

Don't give it up, don't you give it up
It's glorious
Don't give it up, don't you give it up
It's glorious
But I can't help it, oh I can't help it
Don't wanna stay I'll run away
No I can't help it, oh I can't help it

When the time is right
When there's no way out
And I ain't losing something I ain't got
When the love has gone and I'm all alone
I'll give it everything, I'll give it everything
Now, when the time is right
And there's no way out
I'll give it everything, I'll give it everything
