

# Fozzy, Big City Nights

When the daylight is falling into the night  
And the sharks try to cut a big piece out of life  
It feels alright to go out to catch an out rageous thrill  
But it's more like spinning wheels of fortune  
Which never stand still

(chorus)

Big city, big city nights  
You keep me burning  
Big city, big city nights!

When the sunlight is rising up in my eyes  
And the long noight as left me back at somebody's side  
It feels alright for a long sweet minute like hours before  
But it's more like lookingo ut fo rsomething I cna't find anymore

(CHORUS)

Big city, big city nights  
You keep me burning  
Big city, big city nights  
Always yearning

There is no dream  
That you can't make true if you're looking for love  
But there's no girl  
Who's burning the ice away from my heart  
Maybe tonight

(CHORUS)
