

# Frank Black And The Catholics, The Snake

Well, I'm a snake oh yes I'm very smart  
But I was cruel without a humble start  
And I just laughed when you begged and you pleaded  
Now I lay here cut in half 'cause I'm not the one you needed

So pretty and so timid that's a rabbit's way  
A little pessimistic but that's OK  
A pig or a goat well, they wouldn't let you be mistreated  
So I guess on that note I am not the one you needed

Oh they call me the snake  
I'm just feeling my way

Well, I'm a snake oh yes I'm very smart  
But I was cruel without a humble start  
And I just laughed when you begged and you pleaded  
Now I lay here cut in half 'cause I'm not the one you needed

So pretty and so timid that's a rabbit's way  
A little pessimistic but that's OK  
A pig or a goat well, they wouldn't let you be mistreated  
So I guess on that note I am not the one you needed
