

Frank Ocean, Lens (ft. Travis Scott)

My girl made him wait till the hours of the night
To hit you with the
You know it's mid right
Can't be on time for the free rides can't be my type
I'm a low life
Crank this sometime
Then I'm your whole life
Can't make those calls in the low light

Are you ready to go
We gon' be waitin' in a line
You look good
When I fuck you?
Did I
Almost back home with that
Almost back home with that
Next time
Bags with all that rally's in them
Trays with all they valley
