

# Frank Sinatra, Garden In The Rain, A

Writer(s): dyrenforth/gibbons

'twas just a garden in the rain  
Close to a little leafy lane  
A touch of color - 'neath skies of gray

The raindrops kissed the flower beds  
The blossoms raised their thirsty heads

A perfumed thank you they seemed to say

Surely here I was charmed beyond compare - to view  
Maybe it was just that I was there - with you

'twas just a garden in the rain  
But then the (that) sun came out again  
And sent us happily on our way
