Frank Sinatra, Secret Love

(P. Francis Webster, S. Fain)

[Recorded Januaru 28, 1964, Los Angeles]

Once I had a secret love that lived within the heart of me, All too soon my secret love became impatient to be free. So I asked a friendly star the way that lovers often do Just how wonderful you are and why I'm so in love with you. Now I shout it from the highest hill, even told the golden daffodils, And now my heart's an open door, and my secret love's no secret any more.
