

# Frank Sinatra, Wave

(A.C. Jobim)

[Recorded February 11, 1969, Hollywood]

So close your eyes, for that's a lovely way to be  
Aware of things your heart alone was meant to see  
The fundamental loneliness goes whenever two can dream a dream together  
You can't deny, don't try to fight the rising sea  
Don't fight the moon, the stars above and don't fight me  
The fundamental loneliness goes whenever two can dream a dream together  
When I saw you first the time was half past three,  
When your eyes met mine it was eternity  
By now we know the wave is on its way to be  
Just catch that wave don't be afraid of loving me  
The fundamental loneliness goes whenever two can dream a dream together  
When I saw you first the time was half past three  
When your eyes met mine it was eternity  
By now we know the wave is on its way to be  
Just catch that wave, don't be afraid of loving me  
The fundamental loneliness goes whenever two can dream a dream together
