Frank Sinatra, Wave

(A.C. Jobim)

[Recorded Febrary 11, 1969, Hollywod]

So close your eyes, for thats a lovely way to be Aware of things your heart alone was meant to see

The fundamental loneliness goes whenever two can dream a dream together

You can't deny, don't try to fight the rising sea

Don't fight the moon, the stars above and don't fight me

The fundamental loneliness goes whenever two can dream a dream together

When I saw you first the time was half past three,

When your eyes met mine it was eternity

By now we know the wave is on its way to be

Just catch that wave don't be afraid of loving me

The fundamental loneliness goes whenever two can dream a dream together

When I saw you first the time was half past three

When your eyes met mine it was eternity

By now we know the wave is on its way to be

Just catch that wave, don't be afraid of loving me

The fundamental loneliness goes whenever two can dream a dream together
