

Frank Turner, Photosynthesis

Well I guess I should confess that I am starting to get old
All the latest music fads all passed me by and left me cold
All the kids are talking slang I won't pretend to understand
All my friends are getting married, mortgages and pension plans
And it's obvious my angry adolescent days are done
And I'm happy and I'm settled in the person I've become
But that doesn't mean I'm settled up and sitting out the game
Time may change a lot but some things may stay the same

And I won't sit down
And I won't shut up
And most of all I will not grow up
And I won't sit down
And I won't shut up
And most of all I yeah I won't grow up

Oh maturity's a wrapped up package deal so it seems
And ditching teenage fantasy means ditching all your dreams
All your friends and peers and family solemnly tell you you will
Have to grow up be an adult yeah be bored and unfulfilled
Oh when no ones yet explained to me exactly what's so great
About slaving 50 years away on something that you hate
Look I'm meekly shuffling down the path of mediocrity
Well if that's your road then take it but it's not the road for me

And I won't sit down
And I won't shut up
And most of all I will not grow up
And I won't sit down
And I won't shut up
And most of all I yeah I won't grow up
And I won't sit down
And I won't shut up
And most of all I will not grow up

And if all you ever do with your life
Is photosynthesize
Then you deserve every hour of these sleepless nights
That you waste wondering when you're gonna die

Now I'll play and you sing
The perfect way for the evening to begin
Now I'll play and you sing
The perfect way for the evening to begin

And I won't sit down
And I won't shut up
And most of all yeah I won't grow up
And I won't sit down
And I won't shut up
And most of all I will not grow up
And I won't sit down
And I won't shut up
And most of all I will not grow up
