

Frank Zappa, Jewish Princess

Jewish Princess Lyrics

I want a nasty little Jewish Princess
With long phony nails and a hairdo that rinses
A horny little Jewish Princess
With a garlic aroma that could level Tacoma
Lonely inside
Well, she can swallow my pride

I want a hairy little Jewish Princess
With a brand new nose, who knows where it goes
I want a steamy little Jewish Princess
With over-worked gums, who squeaks when she cums
I don't want no troll
I just want a Yemenite hole

I want a darling little Jewish Princess
Who don't know shit about cooking and is arrogant looking
A vicious little Jewish Princess
To specifically happen with a pee-pee that's snappin'
All up inside
I just want a Princess to ride
Awright, back to the top...everybody twist

I want a funky little Jewish Princess
A grinder; a bumper, with a pre-moistened dumper
A brazen little Jewish Princess
With titanic tits, and sand-blasted zits
She can even be poor
So long as she does it with four on the floor
(Vapor-lock)

I want a dainty little Jewish Princess
With a couple of sisters who can raise a few blisters
A fragile little Jewish Princess
With Roumanian thighs, who weasels 'n' lies
For two or three nights
Won't someone send me a Princess who bites
Won't someone send me a Princess who bites
Won't someone send me a Princess who bites
Won't someone send me a Princess who bites
