

# Frankie Rose, Know Me

It's still time \_\_\_  
Lost and alive,  
It's time to..

Why they don't know me?  
I hear what they said  
It doesn't hurt me I rather be deaf  
Why they don't know me?  
I hear what they said  
Why they don't know me?  
I know!

What kind of life are panic astray?  
Lost and \_\_\_  
Lost and it's time to behave kind

Why they don't know me?  
I hear what they said  
It doesn't hurt me I rather be deaf  
Why they don't know me?  
I hear what they said  
Why they don't know me?  
I know!
