

Franz Ferdinand, Eleanor Put Your Boots On

Eleanor put those boots back on
Kick the heels into the Brooklyn dirt
I know it isn't dignified to run
But if you run You can run to the Coney Island rollercoaster
Ride to the highest point and leap across the filthy water
Leap until the Gulf Stream's brought you down

I could be there when you land
I could be there when you land

So Eleanor take a Greenpoint three-point turn
Towards the hidden sun
You know you are so elegant when you run
Oh if you run
You can run to that statue with the dictionary
Climb to her fingernail and
Leap, yeah take an atmospheric leap
Let the jet stream set you down

Could be there when you land
I could be there when you land
Could be there when you land

So Eleanor put those boots back on
Put the boots back on and run
Come on over here
Come on over here
Come on over here
