

Franz Ferdinand, Feel The Love Go

hey, what's that things that you're doing?
hey, what's that things that you do?
no, you're not that thing that you're doing?
not things that you do, but who you are!

why don't you come over here
why don't you come over here
why don't you come over here
why don't you come over here

hey our friend
wish them love
hey our enemy
and wish them more
see, see the things that you doing
see, see the things that you do
see, see the things that you do
and not yu are

why don't you come over here
why don't you come over here
why don't you come over here
why don't you come over here
thin I am a friend
