Franz Ferdinand, Michael

This is where I be so heavenly
So come and dance with me, Michael
So sexy, I'm sexy
So come and dance with me, Michael
I'm all that you see, you wanna see
So come and dance with me, Michael
So close now, so close now
So come and dance with me
So come and dance with me
So come and dance with me

Michael, you're the boy with all the leather hips Sticky hair, sticky hips, stubble on my sticky lips Michael, you're the only one I'd ever want Only one I'd ever want, only one I'd ever want

Beautiful boys on a beautiful dancefloor Michael, you're dancing like a beautiful dance whore Michael, waiting on a silver platter now And nothing matters now

This is what I am, I am a man So come and dance with me, Michael So strong now, it's strong now So come and dance with me, Michael

I'm all that you see, you you wanna see So come and dance with me, Michael So close now, it's close now So come and dance with me So come and dance with me So come and dance with me

Michael, you're the boy with all the leather hips Sticky hair, sticky hips, stubble on my sticky lips Michael, you're the only one I'd ever want Only one I'd ever want, only one I'd ever want

Beautiful boys on a beautiful dancefloor Michael, you're dancing like a beautiful dance whore Michael, waiting on a silver platter now And nothing matters now

Michael, you're the only one I'd ever want Only one I'd ever want, only one I'd ever want Michael, you're the only one I'd ever want Only one I'd ever want, only one I'd ever want

Beautiful boys on a beautiful dancefloor Michael, you're dancing like a beautiful dance whore Michael, waiting on a silver platter now And nothing matters now, nothing matters now Nothing matters, oh yeah
