

# Franz Ferdinand, Tell Her Tonight

I only watched her walk but she saw it  
I only heard her talk but she saw it  
I only touched her lips but she saw it  
I only kissed her lips but she saw it

Gonna have to tell her tonight...

She only blinked her eyes but i saw it  
She only swung her hair but i saw it  
She only shook her hips but i saw it  
She only licked her lips but i saw it

Gonna have to tell her tonight...  
Have to tell her, tell her tonight, yeah

I only watched her walk but she saw it  
I only heard her talk but she saw it  
I only touched her hips but she saw it  
I only kissed her lips but she saw it

Gonna have to tell her tonight...
