

Freak Kitchen, Look Bored

Take a look around you
You've got everything
What can I do to help you
Stop that bloody wining

You look bored, look bored
You look bored, look bored
Man, you can't afford
To look so damn bored
You look bored

Yo' complaining fella
Sir Dissatisfied
What can I do to help you
Appreciate and enjoy the ride

You look bored, look bored
You look bored, look bored
Man, you can't afford
To look so damn bored
You look bored

Go ahead! Surprise me
Show another side
Try a new expression
Tell me I lied

You look bored

Thrive on pessimism
Nothing's good enough
Stuck in negativism
