

# Freak Kitchen, Vaseline Bizniz

God, I have to know  
Is it really true?  
I refuse to believe in  
The stuff they write about you

You always look real depressive  
But thats what makes you cute  
Say it aint so, say it aint so  
Have you become a fruit?

Vaseline bizniz, improves your record sales  
Vaseline bizniz, you know it never fails  
Vaseline bizniz, will make you interesting  
When youre too pissed to dance and too high to sing

My teenage dream is fucked  
Although you dont know  
While I plan for our marriage  
You find some handsome guy to blow

Then you speak about it frankly  
In an in-depth interview  
And I slip into denial  
Cos I know it isnt true

Vaseline bizniz, improves your record sales  
Vaseline bizniz, you it never fails  
Vaseline bizniz, will make you interesting  
When youre too pissed to dance and youre too stoned to sing

Yeah, I had a bad time  
My heart was torn in two  
Burned all my posters  
Thought Id never make it through

But I worship another boy-group now  
Everybody else sucks!  
I even got their autographs  
Take that, you backstreet cocks!
