Freak Kitchen, Vaseline Bizniz

God, I have to know Is it really true? I refuse to believe in The stuff they write about you

You always look real depressive But thats what makes you cute Say it aint so, say it aint so Have you become a fruit?

Vaseline bizniz, improves your record sales Vaseline bizniz, you know it never fails Vaseline bizniz, will make you interesting When youre too pissed to dance and too high to sing

My teenage dream is fucked Although you dont know While I plan for our marriage You find some handsome guy to blow

Then you speak about it frankly In an in-depth interview And I slip into denial Cos I know it isnt true
