Freddie Mercury, Guide Me Home

Now the wind has lost my sail Now the scent has left my trail Who will find me, take care and side with me Guide me back safely to my home Where I belong, once more

Where is my star in heaven's bough Where is my strength, I need it now Who can save me, lead me to my destiny Guide me back safely to my home Where I belong, once more

Who will find me, take care and side with me Guide me back safely to my home Where I belong, once more

How can I go on? How can I go on this way
