

Freddie Mercury, Made In Heaven

(Freddie Mercury)

I'm taking my ride with destiny, willing to play my part
Living with painful memories, loving with all my heart
Made in heaven, made in heaven, it was all meant to be (yeah)
Made in heaven, made in heaven
That's what they say, can't you see
That's what everybody says to me, can't you see, oh
I know I know I know that it's true
Yes it's really meant to be, deep in my heart

I'm having to learn to pay the price, they're turning me upside down
Waiting for possibilities, don't see too many around
Made in heaven, yes made in heaven, it's for all to see
Made in heaven, made in heaven
That's what everybody says, everybody says to me
It was really meant to be, oh can't you see
Yeah everybody everybody says, yes it was meant to be
Yeah yeah

When stormy weather comes around, it was made in heaven
When sunny skies break through behind the clouds
I wish it could last forever, yeah
Wish it could last forever, for ever
Made in heaven

I'm playing my role in history, looking to find my goal
Taking in all this misery but giving it all my soul
Made in heaven, made in heaven, it was all meant to be
Made in heaven, made in heaven
That's what everybody says, wait and see
It was really meant to be, so plain to see, yeah
Everybody everybody everybody tells me so
Yes it was plain to see, yes it was meant to be
Written in the stars
