

Freddy Cannon, Palasades Park

Last night I took a walk after dark
A swingin' place called Palasades Park
To have some fun and see what I could see
That's where the girls are

I took a ride on a shoot-dee-shoot
The girl I sat beside was awful cute
And when we stopped she was holding hands with me
My heart was flying

Up like a rocket ship
Down like a roller coaster
Fast like the loop-dee-loop
And around like a merry-go-round

We even ate a hot dog stand
We danced around to a rockin' band
And when we could
I gave that girl a hug in the Tunnel Of Love
You'll never know how great it just can feel
When you're stopped at the top of a ferris wheel
When I fell in love
Down at Palasades Park
