

# Free, Sunny Day

Oh, sunny day  
Melting away  
Oh sunny day  
Melting away  
Some say she was good for no one  
But I say  
She was bad for every one  
Help me now' cause I feel  
I'm fallin'  
Maybe somehow  
You will hear me callin'

Baby you didn't take everything  
If you want it  
You know I would bring  
All the love you left behind  
When you said goodbye.

Oh sunny day  
Melting away  
Oh sunny day  
Melting away

Inside she was really nothing  
I was a fool and I gave her everything  
Help me now  
'Cause I feel I'm fallin'  
Maybe somehow you will hear me callin'  
Baby you didn't mean what you said  
Things that you told me  
Are still in my head  
And though it's too late  
I realise all you did was lie.

Oh sunny day  
Melting away  
Oh sunny day  
Falling away
