Freestyle, These Beats

They call me ICE TRE,
Also i can rhyme all day,
I keep on rhyming even during writers block,
Cause yall kno i be hard like a rock,
Breakin it down from block ta block,
Im in ya hood breaking it down in tha club,
Ya start some beef,
I say to the streets,
Ya betta grasp something so u can stay on ya feet,
I hit them subs and everything shakin,
Stuff slightly start breakin,
All from these beats i be leavin it to tha streets
