T dj

somepeople ride the T
they ride it every day
sometimes they get to see
the famous T dj

the music's in the air
sometimes it's in his mind
with bleach-blond afro hair,
he's not too hard to find

T dj, he does alright
he makes us dance on a friday night
drives the green line with his groove
he can make all the people move

they ride it straight or gay
nothing but drum beats matter
to the T dj

a big collection of
gay pride pins on his vest
trains are his obsession
T dj is the best

drives the green line with his groove
