Fu Manchu, Seahag

Ridin' high Seein' far beyond this time Speed demon rollin'.. to the tune of ninety-five Through another mountain ...barracuda on my side I heard this story told 'Bout a half a million time

Eight feet wide
Burnin' a path half it's size
Gone without a trace
Surveying all mankind
Full-speed ahead
I Hear it start to grind
Never heard a sound
Like it in my life

Im movin' in a freak show (Or... "Im living in a freak show") I sink down low Got a rail ridin' Im King of the road!!!
