

# FUEL FANDANGO, New Life

You should know my life is out of tune  
I have the think you feel quite the same  
It's hard for me to talk and express myself  
But let me explain I live in the loneliness

So I sing it loud  
You're always in my head and now  
I can't explain why  
Even in my dreams around

(?)

Just sometimes I feel brave  
But let me tell you  
Don't care what people say  
They don't come now  
I think about my little hidden withdrawal and now  
I think about my little hidden withdrawal

(?)

New time for adapt  
You and I last time  
New time for adapt  
You and I last time
